## Why join Rotary?

**From the District Website, There are many reasons to join a Rotary club:**

### Networking

An original goal of Rotary was to allow club members to meet periodically and enlarge their circle of business and professional acquaintances. Rotarians represent a cross-section of their community.

### Service

Club members have many opportunities for humanitarian service, both locally and internationally. Service programs address concerns such as health care, hunger, poverty, illiteracy, and the environment. Rotarians regularly experience the fulfilment that comes from giving back to the community.

### Friendship

Rotary was founded on fellowship, a cornerstone that continues to attract members today. Rotarians enjoy camaraderie with like-minded professionals, and club projects provide opportunities to develop enduring friendships. Club members who travel have friendly contacts in almost every city of the world.

### Ethics

Encouraging high ethical standards and respect for all worthy vocations has been a hallmark of Rotary.

### Leadership

Rotary is an organization of successful professionals. Team-building, fundraising, public speaking, planning, organization, and communication are just some of the leadership skills that club members can exercise and enhance. Being a Rotary leader provides further experience in motivating, inspiring, and guiding others.

# Your Weekly Dose of ROTARY INFORMATION

## The Organization of ROTARY

Rotary is essentially a grassroots organization, with most of its service efforts being carried out at the club level. The district and international structure is designed to support the clubs and help them provide more service in their local communities and abroad.

### Clubs

Rotarians are members of Rotary clubs, which belong to the global association Rotary International (RI). Each club elects its own officers and enjoys considerable autonomy within the framework of Rotary's constitution and bylaws.

### Districts

Clubs are grouped into 530 RI districts, each led by a district governor, who is an officer of RI. The district administration, including assistant governors and various committees, guides and supports the clubs.

### RI Board

The 19-member RI Board of Directors, which includes the RI president and president-elect, meets quarterly to establish policies. Traditionally, the RI president, who is elected annually, develops a theme and service emphases for the year.

### The Secretariat

Rotary International is headquartered in the Chicago suburb of Evanston, Illinois, USA, with seven international offices in Argentina, Australia, Brazil, India, Japan, Korea, and Switzerland. The office for RI in Great Britain and Ireland (RIBI), located in England, serves clubs and districts in that region. The Secretariat's chief operating officer is the RI general secretary, who heads a 740-member staff working to serve Rotarians worldwide.
